Edison

In an effort to provide food security for our students who are eligible for free or reduced meals, we have worked with our food service provider to make breakfast and lunch available for pick up at our school buildings daily.

Beginning Tuesday, March 17th, we will have grab-and-go breakfast and lunches that can be picked up between the hours of 9:30 and 11:30 am from designated areas at each of our school buildings. The meals will be available so that both breakfast and lunch meals can be picked up together.

If your family is eligible for free or reduced meals and you have children enrolled in more than one school, you may pick up the meals for all your children at one school.

The meals will be bagged and ready for distribution so that you can just pick it up and go. We ask that you have your child's student ID number for each eligible child so that our food service workers can check off the receipt of these meals in an efficient manner.

We appreciate everyone's cooperation and patience as we move forward in providing meals for your children. We remain committed to doing everything possible to mitigate the impact this transition to online learning will have on our community and we appreciate your continued support and cooperation.

Please check your email and our district website for updates regularly.

Highland Park

Students who qualify for free and reduced breakfast and lunch will be able to pick up bagged meals from 8:30 AM-1:30 PM from the Bartle Gymnasium starting Tuesday, March 17. Please enter the rear entrance of the gymnasium.

Please contact your child's school with any questions.

Sayreville

The Food Services department will purchase prepackaged sandwiches from US Foods. In addition to the prepackaged sandwiches, fruit cups and juice will be provided to meet the requirements of a reimbursable meal. Examples of prepackaged sandwiches: Ham & Cheese, Sunbutter and Jelly, Cheese. Since deliveries from US Foods are only on Wednesdays. Orders will be placed by Tuesday morning in order to receive deliveries on the Wednesdays.

♣ In order to accommodate this, a system like NutriKids or a Googledoc/form, will be implemented in order for students or their parents to communicate with the Food Service Department their lunch menu selection in advance so that everything can be sorted and bagged prior to delivery. o The Food Services department will provide a list of students that are free/reduced to each school and the transportation department. The list will include all students not just transported students. The Transportation department will utilize preexisting bus route stops for deliveries. For students that are not transported, their parents will have to pick up their lunches or centralized stops will be created for efficient drop off.

♣ This information will be communicated via School messenger or Oncourse. o 2-3 Food Services workers will accompany the bus driver on deliveries. One worker will have the roster of eligible students. At each stop that worker will check student and/or parent IDs and check them off the list as participating. If we do not have a means for the students to place their orders prior to deliveries, that worker will also take their order for the next day. The various options the students can select from will be in cooler bags on the bus. The other worker(s) will bag their selections and provide that to the student. If students successfully placed their orders, they will be prepacked and labeled with the student's information. The other worker will get their bag and provide it to the student. o After all deliveries are made, the workers will return to a school to enter into Nutrikids the students that participated so that they can be reported for reimbursement

South Brunswick

South Brunswick Township Schools is offering food services for students that qualify during remote learning sessions. Chartwells will host three sites in the township where students can pick up a brown bag breakfast and lunch. District pick up sites will be open on Mondays and Wednesdays from 8AM to 10AM, with tables and personnel at the front doors. Please review the pickup sites below and the schools that each site will support.

Pick up Sites:

Crossroads South Middle School will support: Crossroads South Middle School, Crossroads North Middle School, and the High School.

Indian Fields Elementary School will support: Indian Fields, Dayton, Brooks Crossing, Deans, and Monmouth Junction Schools.

Greenbrook Elementary School will support: Greenbrook, Brunswick Acres, Constable, and Cambridge Schools.

In conjunction with our pickup sites we will perform a food run on Monday and Wednesday that will stop in the following communities at the times below. If you are choosing to pick up from a bus run location it is important that you **be at the location ten minutes prior to the arrival time**

Bus Run Locations

9:45 am -10:00 am SouthRidge Woods - located at the pool/clubhouse

10:10 am 10:25 am Royal Oaks - located at the clubhouse

10:30 am - 10:45 am Brookside Mobile - located at the front of park

10:55 am - 11:10 am Oakdale Village - located at the front of park

11:20 am 11:35 am Monmouth Mobile - located in the front of park

11:45 am - 12:00 pm Kingston Terrace - at entrance to pool/clubhouse

Please respond, once per family, to the survey provided and choose your time and location of pickup. We need everyone to respond to the survey so we can prepare an appropriate number of meals. <https://forms.gle/r59i1FkNaSzcMyat5> (click this link to take the survey now)

South Amboy

We will continue to provide lunches to students who are on Free and Reduced Lunch status. A drive-by, grab-and-go, format will be setup at the entrance of the Middle High School auditorium from 11:00 – 12:45 p.m. each day. We ask that parents drive up to the tent/kiosk and provide ID. You will then be provided a bagged lunch. Please avoid sending students to the school. All students should remain home and follow social distancing measures.

Woodbridge

For our bus students: Our buses will continue to go to their assigned stops in the morning, but instead of picking up students, we will be dropping off the breakfast/lunch for any eligible students. Each driver will have a list for verification before handing out the packages. Please be at your stop at least 10 minutes prior to your normal pickup time. If you are not at the stop we will not be able to wait or come back. If you normally have a door pickup for your student, the meal will be delivered that way also. Please understand that we will do our best to keep the times the same but it may be a few minutes earlier or later depending on the number of stops a bus has to make. If you do not come to the bus when it is stopped at your location, we will not be able to wait or come back.

For our non-bus students: We will have a bus at each school parked from 9:15 to 9:30 in order to deliver meals. The drivers will have lists of students to verify names before handing out the packages. At 9:30 we will finish anyone who is line and the bus will be leaving, so please make sure you arrive prior to 9:30. If you have any problems with deliveries or pick-up, please call your principal or Mark Cinelli, Supervisor of Food Services, at 732-602-2536. We thank you in advance for your cooperation in making the above work.
